NON FOOD

catalogue 2025

Everything they need. Everything you trust.

Because when pets feel good, life feels better. And caring for them should always be natural.

Our Philosophy

Comfort, Safety, and Practicality

At Dapac, we believe that animal well-being goes far beyond nutrition. That's why our non food philosophy is built on a simple idea: to create products that enhance the everyday lives of pets and the people who care for them.

From walking accessories to grooming tools, hygiene products, and toys, every item is designed to combine comfort, safety, and practicality.

We work with durable materials, functional designs, and a deep understanding of animal needs, offering reliable solutions that adapt to every home and every lifestyle.

Who We Are

At Dapac, we have been **dedicated to animal well-being for over 16 years**, offering comprehensive solutions for pet nutrition, care, and everyday living.

Through our brands, we develop **high-quality products designed to improve the lives of animals** and support those who care for them.

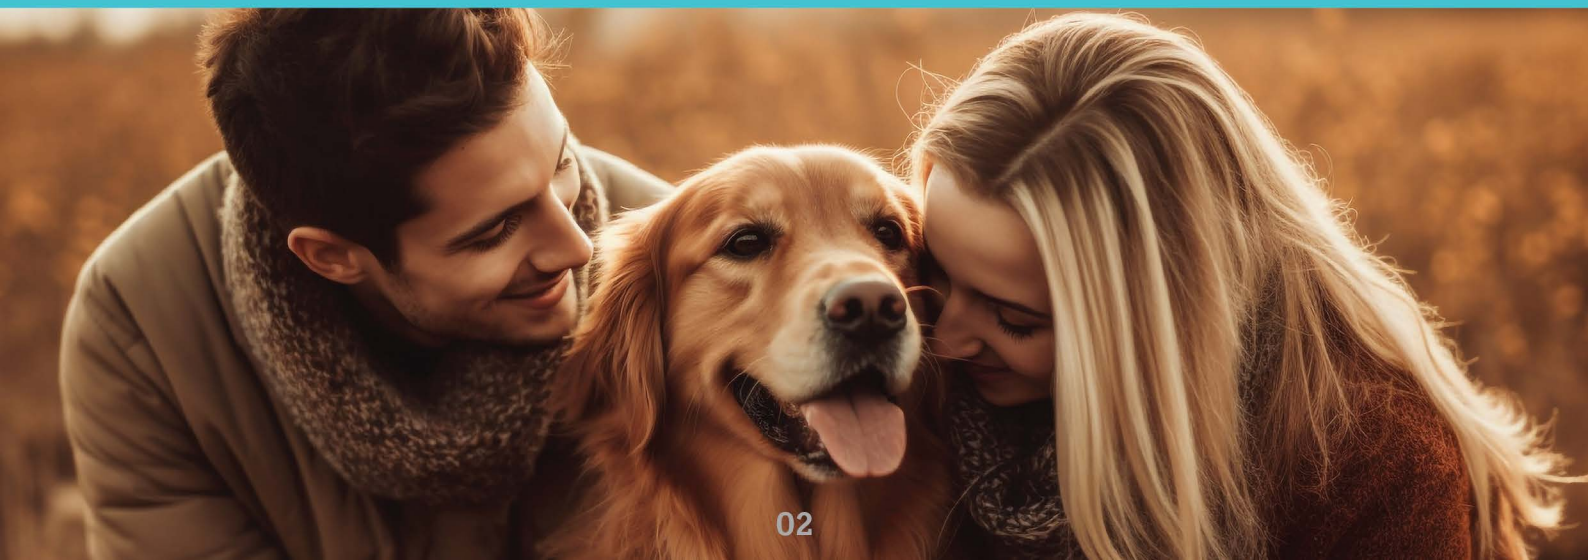

Our commitment to **innovation, functionality, and a deep respect for each species'** needs has made us a trusted name in the pet care sector.

Our Mission

To create safe, functional, and high-quality products that support pets' overall well-being and accompany families in every stage of life with their animals.

Our Vision

To be the leading non food pet care brand in Europe, recognized for our commitment to quality, sustainability, and love for animals.
